## **California Water Webinar Series on the Sustainable Groundwater Management Act (SGMA)**

By Wes Miliband on Feb 12, 2016 06:35 pm

Earlier this week, environmental consultant Susanne Heim of Panorama Environmental and Stoel Rives water lawyer Wes Miliband hosted the second part of the California Water Webinar series about the Sustainable Groundwater Management Act (SGMA). In this webinar, Susanne and Wes covered implications of the recently adopted emergency regulations to amend groundwater basin boundaries, as well ... [Continue Reading](#)

## **California Fish & Game Commission Adopts “Very, Very Low” Standard for Candidacy under California ESA**

By Michael Sherman on Feb 12, 2016 02:37 pm

El Niño has recently brought lots of rain to California, but it's not quite time to start loading the animals two-by-two. However, the California Fish and Game Commission (Commission) did its part yesterday to save a potentially imperiled species by designating the Humboldt marten as a candidate species under the California Endangered Species Act (California ...
